Our Vision

Mobile phone as the remote control of our lives

We strive to continuously improve the way consumers engage with businesses. With the mobile phone as the remote control of our lives, CM.com is shaping the future of conversational commerce.

Our Mission

Making life easier, safer, and more beautiful

We firmly believe that technology exists to enhance people's lives, and we are constantly searching for ways to better connect people. We want to contribute by developing technologies that benefit society.

AI-First

The guiding light in your AI journey

We think AI-first in everything we develop. HALO is our AI brain, embedded across our products and at the core of our company.

Tech & Security

- 24/7/365 Platform & Security monitoring
- Private Cloud infrastructure
- Data stored in the Netherlands (EU) by default
- Software developed in-house
- ISO certified for AI, Security & Privacy

Discover Our Full Story  CM.com
