PRESS RELEASE

CM.com completes repurchase of shares for employee share plans

BREDA, 3 June 2022

CM.com today announces the completion of its share buyback program to repurchase 60,000 ordinary CM.com shares. CM.com will use the shares to cover its commitments arising from its employee share plans.

The share buy-back program started on 27 May 2022 and was completed on 3 June 2022. In total 60,000 ordinary CM.com shares were repurchased at an average price of EUR 15,42 per share.

The program was executed by an intermediary to allow for share buybacks in the open market during both open and closed periods. The program was executed within the limits of relevant laws and regulations and the existing authority granted by our General Meeting.

Forward Looking Statements

Statements included in this press release that are not historical facts (including any statements concerning investment objectives, other plans and objectives of management for future operations or economic performance, or assumptions or forecasts related thereto) are forward-looking statements. These statements are only predictions and are not guarantees. Actual events or the results of our operations could differ materially from those expressed or implied in the forward-looking statements. Forward-looking statements are typically identified by the use of terms such as “may,” “will,” “should,” “expect,” “could,” “intend,” “plan,” “anticipate,” “estimate,” “believe,” “continue,” “predict,” “potential” or the negative of such terms and other comparable terminology. The forward-looking statements are based upon our current expectations, plans, estimates, assumptions and beliefs that involve numerous risks and uncertainties. Assumptions relating to the foregoing involve judgments with respect to, among other things, future economic, competitive and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond our control. Although we believe that the expectations reflected in such forward-looking statements are based on reasonable assumptions, our actual results and performance could differ materially from those set forth in the forward-looking statements.
