

PRESS RELEASE

# David de Buck steps down from CM.com Supervisory Board

BREDA, 12 AUGUST 2021

David de Buck has decided to step down from the Supervisory Board of CM.com effective 30 September 2021. He has accepted a full-time job as CEO of Peridot Group, one of the world's leading supply chain financing companies and a Blackstone portfolio company.

**David de Buck:** *"It has been a privilege and pleasure to have been part of the CM.com team at a time when we have become publicly listed and shown phenomenal growth. I have enjoyed working with my colleagues of the Supervisory Board, the Management Board and other CM.com colleagues and wish everyone lots of success building on the great achievements to date".*

**Martin van Pernis, Chairman of the Supervisory Board:** *"We would like to thank David for his valuable contribution to CM.com's Supervisory Board in the last couple of years. Since the summer of 2019, David has shown great commitment to CM.com. His experience and knowledge have contributed to an optimum Board performance. The Supervisory Board regrets his decision and wishes him all the best in his new CEO role."*

## Forward Looking Statements

Statements included in this press release that are not historical facts (including any statements concerning investment objectives, other plans and objectives of management for future operations or economic performance, or assumptions or forecasts related thereto) are forward-looking statements. These statements are only predictions and are not guarantees. Actual events or the results of our operations could differ materially from those expressed or implied in the forward-looking statements. Forward-looking statements are typically identified by the use of terms such as “may,” “will,” “should,” “expect,” “could,” “intend,” “plan,” “anticipate,” “estimate,” “believe,” “continue,” “predict,” “potential” or the negative of such terms and other comparable terminology. The forward-looking statements are based upon our current expectations, plans, estimates, assumptions and beliefs that involve numerous risks and uncertainties. Assumptions relating to the foregoing involve judgments with respect to, among other things, future economic, competitive and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond our control. Although we believe that the expectations reflected in such forward-looking statements are based on reasonable assumptions, our actual results and performance could differ materially from those set forth in the forward-looking statements.
