If the Client does not deliver the hardware for return within the aforementioned period, CM will be entitled to charge the Client an immediately payable amount of 250 (and CM shall be entitled to deduct such amount from the next payment to be made by CM to the Client pursuant to Clause 6 above). The Client agrees that such an amount is reasonable and proportionate to protect CM's legitimate interest in the hardware.

10.5 In case of damage to any hardware rented from or provided by CM, CM will charge the repair costs to the Client which the Client will be obliged to pay in full. In the event that such hardware is lost or irreparably damaged, the Client shall pay the full renewal price of the hardware within thirty (30) days in full to CM. The Client agrees and acknowledges that any such Downtime shall not constitute a breach of this Agreement and/or the provision of the Services.
